

Dear Friends

Step by Step in Moray SCIO is a charity for families with children aged from birth to 3 years who feel isolated or vulnerable. We provide a warm welcome and friendly, supportive environment, helping parents to develop friendships, confidence and skills which will enhance their lives and help them to give their children the best start in life.

Staff and volunteers work together to provide a range of activities including developmental play, arts and crafts, story time, a sociable and healthy snack time and activity songs. Step by Step runs eight sessions each week in Elgin at our base in Winchester House Elgin and two sessions each week in St Leonard's Church Hall, Forres

We are funded by grant giving trusts including the Big Lottery and BBC Children in Need and local donors. We are very grateful to all our funders.

I am writing to ask if you or your organisation would support our work by becoming a Member of Step by Step in Moray. Members are invited to attend the AGM and have the powers under our Constitution to appoint people as Board members and to help take decisions on proposed changes to the Charity's Constitution. The Board, who are the Charity Trustees, are responsible for the mission and direction of the Charity and are voted into office by Members.

Members have no liability to help meet any debts or other liabilities if the Charity is wound up for any reason.

We hope you will be interested in becoming a Member of the Charity to learn more about and support our valuable work with families. Please complete the application form below and return to us at info@stepsmoray.org.

Thank you very much, we look forward to welcoming you to our next AGM. More information about our work is available on our website at www.stepsmoray.org

With kind regards.
